# QUESTION 3

IMPLEMENTATIONS
ORDER

WEEK(13-14) DIVS, SLIDERS AND BUTTONS.
Over the course of these two weeks, the missing sliders, buttons, and slices will be added to each implemented tool.
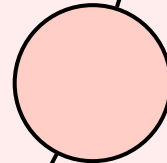

WEEK(15-16) IMPLEMENT REMAINING TOOLS
During these two weeks two tools will be implemented (for now). The first will be the clone tool and the second will be the tool that will allow the user to recognize a color from a pixel in an area of the canvas.

WEEK(17-18) SOUND / UX ELEMENTS INTERFACE DESIGN
During these two weeks the ambient sound and some details within the interface will be implemented.

WEEK(19-20) TEST AND FIX REMAINING BUGS
During these two weeks the application will be tested and any bugs still present will be fixed.
